

REMARKS

This reply encompasses a bona fide attempt to address the objections and rejections raised by the examiner and presents claim amendments to place the application in a condition for allowance.

5

Regarding the Claim Objection

Claim 53 was objected to because of informalities. In reply, the applicant hereby submits claim amendments according to the Examiner's suggestions which render the objection moot.

10

Regarding the Claim Rejections under 35 USC § 112

Claims 53-70 have been rejected as being indefinite. In reply, the applicant hereby submits claim amendments which render these rejections moot.

15 Allowance of all claims now in the application is kindly requested.

Respectfully submitted,

/ **James Parris / Reg. No. 51,135**
